

Get dōTERRA products *for Free**

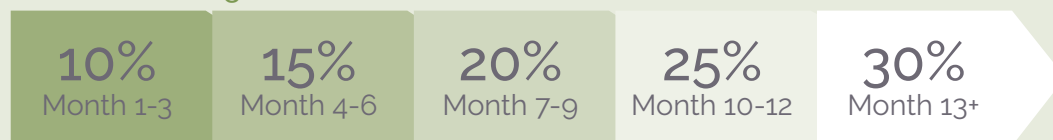

Just like everyday household essentials, there are items you may use frequently and wish to buy regularly. The Loyalty Rewards Program makes it easy to order those items and rewards you with product points that can be redeemed for dōTERRA products!

Product Points to redeem FREE Products

As a participant in our Loyalty Rewards Program (LRP), you will immediately begin to earn product points based on a percentage of the total Personal Volume (PV) of your order. The longer you participate, the greater the percentage you will earn - up to 30% of the total of the Personal Volume of each order you process on your Loyalty Rewards template.
