Service

According to this month of January 2024, I managed to gather with children`s Ministry at circuit level and at church level. As usual at our circuit the first Sunday of the week it`s a big Sunday of the circuit which include everyone from children`s ministry to men`s fellowship. Our big Sunday was at Zvegona church of Christ. All went well there, teacher and children were present. And we had a good time there.

Aslo I visited at Ebenezer Church of Christ. I managed to gathered with teachers and children`s ministry as usual because of school opening children`s where low in number. We had our service I was impressed with them which shows that the foundation of our church is growing.

I visited at Oret Church of Christ. I have given the permission to hold the service with children. Thus was our day as Children`s ministry there. The church was very impressed to saw their children`s participating with confidence in the house of God.

And I visited at Ndinaneni Church of Christ. I gathered with two group of children` ministry which are 3 years to 7 years and 8 years to 12 years they say the other group went to school.
