

CHILDREN'S MINISTRY REPORT FOR FEBRUARY 2024

Introduction

I would like to thank the almighty God for the blessings of life, Glory be to god. We were served by him and protected from deadly Cholera. I am happy because Jesus loves me.

Church services

In this month of February, I attended the first church service at Muuyu. Thirty-four children attended the service including two teachers. It was a fantastic Sunday because there were many children compared to other Sundays. It was amazing to see how little children of God tell a lot of stories that were done by Jesus in the bible. The second service was at Chirere church. There were twenty-four children and three teachers. Children performed dramas and do memory verses. They played games and did bible study. They understand and answer the questions very well. I attended my third week at Muuyu. The attendance of children is quite good. Their teachers were there with them. They had a good service where children were practising, singing and dancing. After that, they had food prepared by their teachers.

Big Sunday

Big Sunday was at Marovanidze church and the total number of children attended was 48. All children from all church circuits were present. They were doing choir competitions and games. They had a meal after the service.

Workshops

I attended a workshop at Makwasha as teachers we learnt more there and we enjoyed the workshop. Teachers came in numbers and we had good time there. We learnt several things according to the Ministry on how to prepare a lesson also how to teach them it was a good time for learning and practise. Teachers showed some interest on these initiatives as well as leaders of the church.

Meeting

The meeting was held at Makovere church and all church leaders were there. We were discussing about adding more teachers and Sunday school and follow children who were not coming.

Visit

This month I managed to visit my Sunday School teacher who was not feeling well. We pray together for the almighty God to deliver healing.
