M. CHIGOVA WELEZI CIRCUIT

INTRODUCTION

Glory be to God, I want to thank God the almighty for the gift of life and children that have the love for God as the bible says "let them come to me" some of us wished to see this month end but they failed and some are injured.

ACTIVITIES DONE DURING THE MONTH OF JUNE

- Church services
- Meetings
- Visits
- Big Sunday
- Home visits
- Baptism

CHURCH SERVICES

The first service was at Makovere church. There were many children who attended the service. Then one of them preached the gospel according to Mathew 6"1-8 with the heading about prayer and fasting. The service was powerful. I attended the second service at Muuyu church. The service started at 10am. It was a fantastic Sunday because there were many children compared to other Sundays. It was amazing to see how little children of God tell a lot of stories that were done by Jesus in the bible. Third Sunday service was at Chirere where a large number of children attended the service. The children practised the activities to be done at Children's day set to be held on the 7th of July at Muuyu church and total number of children who attended was 40. The preacher taught us much about Mary and Joseph and as we asked the children some question from that text, it revealed that they all understood.

BIG SUNDAY

Big Sunday was at Madzivadondo church. They were eighty children. It was a pulpit exchange we had Pastor Moyo. We enjoyed the service as usual. We learnt that we have to love each other. I was happy because I managed to Baptise 12 Sunday school team. Pastor Moyo baptised my children. Children were also given a chance to show their

talents. They sang and make some memory verses. They also did offering and praise and worship. Parents were happy by the presiding of their children. Now children have that mandate to stand in front of the group of people without shy. There is a good improvement on children's work.

MEETING

We had a meeting on the 15th of June at Makovere church Pastor Mashindi was also there. The Sunday school teachers also attended this meeting. We were arranging on the graduation of children and Children's day.

VISIT

I had a visit at Makovere church. I wanted to see the chairmanship of the circuit. The main agenda being preparation of Children's day.

May God Bless you all

Third week service was held at Madzivadondo, children were taught how to pray and to obey the almighty. Memory text came from Genesis 28 vs 15. It was a good experience for children as they learnt different things. I attended the service at Makovere church the service started at 10:00am. It was a fantastic Sunday because there were many children compared to other Sundays. I was amazed to see how children of God tell a lot

Big Sunday

Our Big Sunday was at Chirere church. This month's Big Sunday was very joyous and busy. There were many activities at the church. Children did memory verses, we also had a session of question and answer where they performed very well. We had taught

them first and questioned them after. They showed that they had understood everything. They had a meal after the service. This made children to be happy

The meeting was held at Makwasha church. Our leader Mr Watungwa was also there. All Sunday School teachers attended the meeting. The meeting was all about budget arrangements and this include the children transport fare to attend the August conference.

Home visit

This month I managed to visit my Sunday school teacher for the almighty God to deliver healing. Gogo Dube was happy with the visit.

Visit

My first visit was at Chirere. I want to recognise the place where children can play. I also visited at Welezi and Muuyu to check where we can put our ground for children to play and educate nicely.

Funeral

I also attended a funeral of one of our church elders Mr Mhlanga. It was a sad week losing one of our member who support children Ministry.
