I was happy because I managed to baptise nine Sunday School team. Pastor Mashindi baptised my children, children were also given a chance to show their talents. Children were presenting their activities. They were doing their verses, drama, poems, dance and singing.

Visit

I visited the following three different places that is Madzivadondo, Makovere and Weleza. The main objective of these visits was to follow up some of the children who were no longer coming to the school of children's ministry. We visited their homes to negotiate with their parents on the issue of their children's absence to school, as it is written in the Gospel according to Mathew 11:28, it says "come to me all you who are weary and burdened, and I will give you rest".

Meeting

I attended a meeting with church leaders of the circuit. The main agenda being preparations of children's Christmas party. We gathered to plan what children are going to eat, do and where they meet we were with the Pastor. He was leading us good. The meeting ended well.
