Comments: At Tzikisai I am witnessing a growing

church, the Lord is adding believers and I acknowledge

God's power. At Sombiza, I am getting promises, people

are willing to come and I do believe it is a matter of

time they will come, only, there is need on how

the church was run, so far I am working more on

church administration how it should be run/flow and

green light is promising though gradually. It is my

prayer and hope that we will have a smooth run

together with the leadership.
