This day was the first Sunday of the year and we got a new word from none other the one of our ministry whose name was Siyabonga Masuku. He is a boy, he preached about the prodigal son. People were shading tears whilst he was preaching. We saw the power of God. The attendance of children`s ministry was very good and all the church were represented by both children and their teachers.
- b. **Home visit at Wedza**
I had some home visits at Wedza local community. I managed to visit about 8 homesteads. I was encouraging the parents to come with their children to church every Sunday. As we know that its time for farming some parents they left their children at home to take care of their plants. So I was encouraging them to send children to church because there are there for the word of God. So all parents they understand and agreed with me. I saw the hand of God during that day. All the praise to Jesus Christ.

It was an amazing day at Ndinaneni Church of Christ. At Ndinaneni we managed to have church service at one of the members who was no longer coming to church. The service was good and the attendance of children was good. The family accepted the word of God and promised that they will start to come to church as a family. The homestead have got 6 children so we were grateful the number was increasing to the ministry. All went well there. They type of evangelism was perfect and strong which make people not to hesitate to follow the word of God as well to attend all the services. Amen.
