Big Sunday at Wedza Church

We had a big Sunday at Wedza Church of Christ on 3 November 2024. The attendance was very good both adults and young ones. Children's Ministry was also there and their teachers. All the churches were represented except Oreti. They have a challenge of transport that is why they didn't make it. On that day Children were learning about advantages and disadvantages of using technology.

This topic was a general topic because many of them are inside the technology. Lot of them are using cellphone, laptops, they also have computers at school and home, radio and television. We learned more from this topic. The service was very interesting.

Church service at Zvegona Church

I visited at Zvegona Church of Christ on the 10th of November 2024. We had a good service over there while we were continuing with our topic of technology. Children were enjoying, they have a good time of learning they did their memory verses, they sing together, dancing and reading the Bible. All went well over there we were amazed.

We had a Couples Fellowship at Ndinaneni Church of Christ on 16 November 2024. We learned well, we had two guests at our Circuit. Chaplin Madwala and Pastor Magebhe. We had two lessons. The attendance was for members of circuit only. The attendance was excellent. The lessons that we got from Mr Chaplin Madwala was about transparency in marriage and what we got from Pastor Magebhe was about bedroom in marriage.

Funeral at local community

We had funeral at Vukuzenzele Co-operative on 17 November 2024. One of my relative lost sister in law while she was staying in her homestead. She was not feeling well for three months and she end up leaving us.
