SECTION 6: OTHER ADDITIONAL INFORMATION

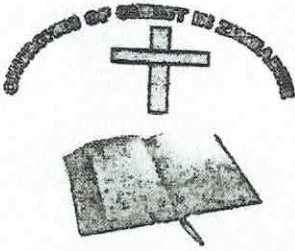

Due to heavy rainfall, Ngezi river is flooded and the majority of the members are not able to come to church. Furthermore, it also have the same challenge as I am not able to visit them. In this case I can only communicate on calls to those who are reachable. Due to the inputs given even to those who are not our members, we are definitely going to have new converts.

SECTION 7. CONCLUSION:

Rain season is a challenge to our circuit as I have mentioned earlier but in God we put our hope and trust. We would like to thank the well-wishers who gave us the inputs and the whole circuit are very much thankful.

SECTION 6: OTHER ADDITIONAL INFORMATION

At a circuit we held our Christmas party on the 1st of December which brought every member on the same place. This was an opportunity for me to know the exact number of my congregants. Also we conducted our elections which went on successfully. Furthermore, on the same occasion we did our way forward for the year 2025.

SECTION 7. CONCLUSION:

In conclusion, we would like to thank God for a successful year. Though we did not meet our target of reaching 100+ members, our efforts produced better results and we will continue to focus on new members especially the youth God willing.
