Though March was a better month compared to the past years, there was one major challenge which we face. There was a Cholera outbreak and is still persisting. As leaders we met with the health department to be given awareness and we are implementing the measures to avoid loss of lives. This becomes a wake up call for us to plan how we can build even a shade at our church stand. Also we did some visitations and meetings to plan about in.

**SECTION 7. CONCLUSION:**

In conclusion, as a circuit we are progressing slowly and God willing, we will achieve our goals. May you pray for us to keep on focusing on winning many souls. God bless you.
