As a circuit though the month was full of events, some members managed to pay their monthly subscriptions. This helps us to grow in giving. As a circuit in resettlements our members are suffering due to drought and some end up not coming to church because they will be panhandling gold to earn a living which affect our services at large.

SECTION 7. CONCLUSION:

To conclude, I would like to thank God for the progress we are seeing especially on participation. We are looking forward to grow God willingly.
