

## **2025 JANUARY MUSVUUGWWA CIRCUIT CHIVI REPORT**

**TEACHER:** U MAJONI

### **INTRODUCTION**

I am delighted to submit my report for the first month of the year 2025. It has been a productive month, filled with opportunities for spiritual growth and community building.

### **LESSON PLAN SUMMARY LAYOUT:**

- ACTIVITIES
- MEETINGS
- PRAYER REQUEST
- CHALLENGE
- MISSION
- NEXT MONTH'S PLAN

### **LESSON PLAN SUMMARY**

As we began the year, it was wonderful to meet with my Sunday school team and welcome new members. Our lesson plan focused on Genesis chapters 1-3, exploring the creation of the world and the fall of man. The children gained valuable insights into the importance of obedience and the power of God.

### **MEETINGS**

We held one meeting on January 11th at Mkwasha, where we discussed the new calendar of events and syllabus for 2025. We were unanimous in our approval of the new calendar and syllabus. We also discussed the upcoming workshop on February 8th, which will bring together teachers, youth advisors, and church leaders. Additionally, we planned for the trip to Harare on May 25-26 and emphasized the importance of every teacher providing T-shirts for both teachers and children as our attire. On 9 – 11 August we are going to hold our national conference in Zvishavane.

### **PRAYER REQUESTS**

I received a prayer request from one of my children at Masinire Church, who is preparing for their grade 7 exams. We are praying for them to achieve better results and fulfill their academic potential. We believe that prayer is a powerful tool, and we commit to praying for our children and our community throughout the year.

### **CHALLENGES**

As the year begins, we face several challenges. The number of children attending Sunday school is low, partly due to their responsibilities as cattle headers and field attendants. This has resulted in a disproportionate attendance of girl children compared to boy children. Furthermore, we lack adequate

shelter at both churches. We recognize that these challenges require creative solutions, and we are committed to finding ways to overcome them.

#### **NEXT MONTH'S PLAN**

In the upcoming month, we plan to hold a workshop, which will provide an opportunity to address our challenges and improve our Sunday school program. We hope to have a good turnout and make meaningful progress. We will also continue to focus on our lesson plan, exploring the Bible and its relevance to our lives.

#### **MISSION**

Our mission is to build and create a long-lasting, future generation for tomorrow. We believe that by teaching our children about God's love and provision, we can equip them to become leaders and change-makers in their communities.

#### **CONCLUSION**

I would like to express my gratitude for your continued support. May God bless us as we strive to serve Him and our communities. We look forward to a productive and fruitful year, and we invite others to join us on this journey.

## MUSVUUGWA CIRCUIT CHIVI TEACHER'S REPORT

**Date: 25 November 2024**

### Introduction

I am pleased to submit my report for the year 2024. It is my pleasure to greet you all in Jesus' name. I am grateful for the opportunity to share our accomplishments and challenges with you.

### Mission Statement

Our mission is to build and create a long-lasting future generation for tomorrow.

### Activities

We managed to conduct several activities throughout the year. One of our notable achievements was our national conference, which was well-planned and attended by four districts: Bulawayo, Zvishavane, Gweru, and Kwekwe. The conference was held in August, and we had a great time with the children. Our main aim is to teach them the word of God and how to live with Jesus Christ in their lives.

### Meetings

We had several meetings throughout the year. We planned many things during our meetings, and all went well. Our last meeting was held at Makwasha, where we discussed the 2025 calendar and its events. We also talked about the trip that we failed to take this year and planned to do it early in 2025.

### Challenges

We faced several challenges throughout the year. Economic constraints were the major problem that affected our entire system. We failed to meet our target for the trip due to economic constraints. Additionally, children were coming in groups, which affected our teaching system. Communication was also a challenge due to poor network coverage in our area.

### Prayer Requests

I have a few prayer requests from my Sunday school team. Five children requested prayers in different situations, and I am glad that all prayers were answered. Some were suffering from colds and headaches, while others requested prayers for their exams. We thank God for answering their prayers.

### Next Year's Plans

In the upcoming year, we plan to aim higher and correct our mistakes. We need to be punctual and work towards achieving our targets. We also need to improve our communication system to make it easier for everyone to communicate with each other.

### Conclusion

I would like to thank the almighty God who leads me in every success and guides me through my teaching. I also thank my Sunday school team at Musvuugwa Circuit for their support and hard work. I am proud of them, and I pray that the favor of God will be upon them. I also thank my pastor, W. Nyoni, for his support and guidance. Finally, I thank the parents, guardians, and church executives for their support when needed.
