Services

During the month of June, we attended 3 services. We had first service on the second of June. I attended the service at Takavarasha the number of children was very pleasing. Our children have been given a chance to lead the praise and worship and offering. It was well they did very good presentation. Elder Shava was there he was pleased by the duties taken by children in the house of God

On the 16th of June I was at Musvuugwa church where we had our service led by Evangelist and the communion was led by Sunday School our Evangelist teach that we must teach the young ones to take every part in church for better tomorrow as no-one knows for tomorrow. It was a great service and I really appreciate Mr Chibhanguza for the lesson. Children should know how the church operates from the base to the top so as for their tomorrow they should have the history of their religion. Every church has its doctrine so they should know so that they won't lose some are driven away by other churches' doctrine. It was quite good from our Evangelist we thank him.

Activities

On the 8th of June we managed to sing our hymn for competition at Dambashava Secondary. We managed to meet there as a team and only Mabika church failed due to distance. We had four teachers on that day and My Matavire was conducting us with the music.

Big Sunday

We had our big Sunday at Masinire church. It was a blessed Sunday we learnt more on that service. It was about forgiveness. We learnt that we should forgive each other. Though he/she is the minor but we have to forgive others

Meeting

We did a meeting on the 30th of May at Makwasha. We talked about the conference which is near by the corner on August at Buġawayo. We also distributed T-Shirts to the teachers as our project we decided to have some dress code per district. So as Zvishavane we had designed some T-Shirts for children and we are selling them at \$5 per T-Shirt. The project seems to be good and it's working. We have so far supplied about (30) T-Shirts. On the 23rd of June we were at Gwamanyanga women's conference Mpalawani circuit.

Funeral

According to my circuit I failed to attend a meeting which was held on the 4th of June. I was at the funeral. We lost our mother in-law.

All-night prayer

It was good and fantastic at Musvuugwa we had an all-night prayer with (5) churches we enjoyed praying in groups and the word was given to all though our Pastor was the first to open the service.

Mission

- To build and create more structures at both churches. We are struggling to come up with better results
- Overallly to build and create a stronger and lasting future generations for better tomorrow.
- Also I thank you for the support you are giving us. God bless you

REPORT FOR THE MONTH 25 MAY 2024

MUSVUUGWA CIRCUIT CHIVI (MAJONI U)

INTRODUCTION

Firstly, I would like to greet you in the name of Jesus, hoping that I find you well. Back here I am doing great together with the Ministry.

SERVICE

According to the month of May I did several services. Our lesson was from the book of Luke and Mathews. We learnt about the calling of the apostles.

On the second week, I was at Musvuugwa where we learnt about ***Sermon on the Mount*** from the book of Matthews.

Furthermore, I taught them about Prayer and Fasting. I decided to repeat the lesson since I had noticed that there was much to be taught on the topic. Children were happy to understand the fact of praying and fasting. They also understood that it's very important to pray and to pray where necessary. They also learnt that it is everyone's duty to pray for each other. In addition to that, they learnt that God can hear us through prayers and fasting. Moreover, they comprehended that it is vital to have faith in every situation so that God will answer our prayers.

BIG SUNDAY

We had our big Sunday at Takavarasha on the 5th of May. The service was so uplifting and we were blessed by the word.

FAILURES

Due to some circumstances beyond my control, I failed to attend the meeting on the 8th of May which was held in Zvishavane at Makwasha church. Also on the 19th I failed to attend the service I was with the patient in Gweru hospital.

MISSION

- Our mission is to build and create more structures for teams at both churches. We are struggling to come up with better results.
- Finally is to build and create a stronger and lasting future generations for better tomorrow. I thank you for the support you are giving us .God bless you.
