We began January 2025 with challenges of some of members who lost their loved ones and some who were sick. As a church we have reflected the light of Jesus by standing with them in the difficult times. We continue to thank you our partners for your prayers and support. We begin the year with an anticipation that our work at church will be growing slowly but surely as the Holy Spirit will be leading us. Our branch (Mwerenzi) is fast growing and its expanding ~~in~~ in numbers and it is my prayer that God will help us to equip these new believers to grow spiritually so that they will be unity of faith. We thank God we managed to conduct our first ~~new~~ lesson of our preachers training and it was transformative. Our desire is that we have leaders who we trained to be like Christ and to be able to preach because the harvest is plentiful. Furthermore, we are excited to

We pray for children who have resumed back to their studies at school and we had one special Sunday when we were praying that our children becomes successful at school. We thank you for your support once again.

As we conclude this year, I want to express my heartfelt gratitude to you our partners for your love and support. This month has been a remarkable month filled with activities. Our highlights of the month are that as a church we managed to conduct our baptism 20 from our church. We are excited of our new church from Mbuya Nekanda which is growing. We also baptised 20 people, very unfortunate other 20 from the new church did not come. We plan to baptise them as soon as possible. We had several special services throughout the month, including doing our first Big Sunday at our new church (Mbuya Nekanda). It was an awesome experience of strengthening our brothers and sisters in Christ. Very unfortunate we had a low attendance because some of our congregants are not at their farms. Our bible study and Discipleship programs continue to thrive with many members deepening their faith and growing in their relationship with Christ. We are saddened this month we received news of one of our member who lost a son and we have 2 women who continue visiting the sick and we pray
