Comments: This month was a very bad month because most of our members were affected by their relatives who passed on sometimes funerals were taking place on Sundays so services were much affected in attendances the other reason was the weather these days it is cold so most of our members don't come to church. But our services are going on as usual.

Comments: Our services are on well but
the problem we have is that our members
do not come always to our services
The other group may come this week and
next week may come the other one who
were not there last week but we have the
other group, who always come every service
So our numbers differ every time.
