Introduction

HAPPY NEW YEAR TO YOU ALL!!

In this report i'm going to cover up activities and events we managed to cover in the month of January 2025.

PASTOR'S MEETING

We managed attend our first meeting of the pastors in this year at Makwasha. On the meeting we were discussed about our yearly program and also look into our calenders' events. Departmental pastors were given time to give reports from their departments.

CHILDREN'S MINISTRY

We got time to meet as well as district teachers as we planned for our yearly program and gave reports from our working places and talked about challenges we are facing with in our working places. We managed to plan also for our workshop we are going to have in the month of February. We are going to have teachers and pastors from the circuits who are going to attend that workshop.

VISIT TO SEMENTATION

We had time to go to cementation together with Pastor Kapesa as we visited to some of our members there. We had good time with them as we helped them in their fields. In this season for us to be able to meet with some of children we were to go to their homestead because of works they had at their parents' fields.

On a sad note at Kashambe one of our teachers there lost her uncle.

VISIT KASHAMBE

We had home visits at Kashambe with help of one of my teachers there Mrs Ncube, We had church service there, attendance was good and also pupils' performance was not bad.

CHURCH SERVICE TO GWAMANYANGA

We had church service at Gwamanyanga, attendance was good and also children's presentation was really interesting. Children managed to lead on offering and also on praise and worship, they were given time as well to do their sharings.

CHURCH SERVICE AT LOWER GWAMA

In the circuit of Mpalawani, huge number of parents I'm working with are farmers as a result, children attend church service are not all of them, so as a result for me to be able to meet with some of these kids, I mostly do home visitation and also giving works to their parents to teach them on their homes. Attendance on the church service at Lower Gwama was good, and also children's activities were good.

In addition, after church service we had short meeting with church Leadership, as we talked about the programs we had at district level as a ministry. I took that time as an advantage to me, so asked them also addition of teachers to after I told them plans and events we had in ministry.

COMBINED SUNDAY SERVICE

We had combined service at Mpalawani, attendance was good and also service was not bad. We had time for elections at district level, as we select the circuit executive committee leadership. As a ministry we were given Chairperson to work with us.

CHALLENGES

However, in the season we are in, I failed to visit to some of churches because of bad weather, and also roads. To be able to go to some of these churches we crossed rivers, so some of these rivers were overflowing, so for us to cross it is difficult.

PRAYERS REQUEST

_ may you pray for us to have more teachers to work with

_ pray for the expansion of the ministry

Pray for us and our family to be protected by God

CONCLUSION

As i conclude,i want to thank you all for being supportive to us, God bless you always and your Family.

Activities

- Introduction
- Christmas party
- Pastor`s fellowship
- Graduation
- Visits to Kashambe
- Baby welcome Kashambe
- Church services

Introduction

In this report, I`m going to cover up activities we managed to do in the month of December as we are approaching new year.

Pastor Fellowship

We had our Christmas party of pastors and their wives at Mr Watungwa`s homestead. Attendance was good. On that day we had manage to come up with calendar of the year and also sharing challenges we faced with our working circuits. We managed to help each other with ideas and also encouragements on how we will manage to work in that environments.

Christmas Party and Graduation

We managed to have our graduation and Christmas party at Mpalawani. We were combined with church of Lambamai Circuit. Attendance was good. We were also supported by Mrs Marovanidze and Pastor Watungwa on that event.

Fifteen children managed to graduate from Mpalawani circuit seven from Lambamai. We really got support from our Pastor and also members from church for the day to be a success. We managed to have a fundraising on that day for the purpose of trying to build up our wallet as a ministry.

Baby welcome

I was invited to join Kashambe Women Fellowship as they welcome one of our Deacon`s daughter. On that day I managed to share word and I took that opportunity to encourage them to be able to support us always. I encourage them to be able to teach their kids always in and out of season.

Church service Mpalawani

We had church service at Mpalawani, attendance was good and also pupils` performance was good. We managed to have another teacher at Mpalawani who is going to work with the Ministry next year.

Home Visits Kashambe

We managed to have Home visitation together with circuit Pastor Mr Kapesa. We managed to visit some church members as we share with them word of God. I took also that chance as an opportunity for me to talk with parents about bringing their kids to church always.

Christmas party at Kashambe

We were invited to Kashambe church for their Christmas party. We enjoyed the day. There were invited guests from Kwekwe who were sharing word of God to us. I was given time as well to dedicate children to God. We were given presents together with my husband Mr Kapesa.

Challenges

However, for the sake of the season we are in right now, the number of children who attend church services reduce because they are farmers. They are busy working on their fields.

Conclusion

As I sum up, I would like to wish you Happy New Year and Christmas Holiday.

May God continue to bless you. May you continue Pray for us always. We need growth in our Ministry.
