**WORKSHOP**

**We had teachers workshop at makwasha.peoples attendance was good. During the workshop we managed to cover up teaching methods, teaching plans and also helped each other on how we are going to work with the church as teachers. We had time also to share with each other challenges we faced and the strength we had. We got time also to look into our syllabus of the year, calendar and programs.**

**LEADERSHIP SEMINAR**

**We had our leadership seminar at siboza, attendance was good also their lessons we got there we motivational. We had time for group discussions, we joined the groups of women's fellowship and also pastor's wives. We took that time as an advantage to us teachers to share with tem the challenges we faced during our work and gave then time to let us know of their needs, expectations and improvements they want to see in the ministry. What we requested most from them to be able to change, they want to see in their children is their support.**

**We took time as well to request for some of the needs we want to help some of them kids we have in our working place.**

**VISITATIONS**

**We had our home visits to dorest, together with circuit pastor Mr. Kapesa we managed to meet with some of church members there, promised to come to church. She said she grown**

up in the church but she left about 40 years ago because of marriage. She promised to come together with her daughter and cousins. We got time as well to attend church service there attendance was good and also children's performance was good.

#### **VISIT TO GWAMANYANGA**

We went to for home visits, we managed to meet with five families. We shared together plans we had and also requested for the support we need and also let us know what they want to be helped with their kids. We had also time for church service, attendance was good and also pupil's presentations were good. We were visited by new members for our church partners of Dutch Reformed church in Zimbabwe.

#### **VISIT TO LOWER GWAMA**

We had church service at lower Gwama, attendance was good and children's presentations were good. we had time also for home visits, during which our home visits we met with a new family at one of the church member's compound, we took the occasion as an advantage to us to ask her a little about their partnership with Jesus, and they answered they were not yet giving their life to Jesus and we requested them to come to church and they were promised us to come with their kids.

#### **CIRCUIT MEETING**

We had circuit meeting at mpalawani. we managed attend together with some of the teachers I worked with during the meeting we managed to produce our syllabus, program and calendar of the year. We also managed to ask for their sympathy. We gave them room to look into our program for them to add or subtract.

#### **CONCLUSION**

I would like to thank you for the support and prayers you do for us, God bless you, may you continue to have us in your prayers.
