**2024 'S REPORT**  
**MPALAWANI CIRCUIT : CHILDREN'S MINISTRY**

**JANUARY'S REPORT**

**INTRODUCTION**

This report covers the period of January 2024.

**ACTIVITIES**

**Mpalawani**

We managed to have both home visitations and church services. Children's attendance and also their performance was good. We had our combined Sunday service as well at Mpalawani, attendance was also interesting. We got an opportunity as well to visit to one of our child's grandmother who was not feeling well.

**Gwamanyanga**

We went to Gwamanyanga together with Pastor Kapesa for home visit, after we received good news of one of our church members's illness in <sup>is now better</sup> good condition. We managed to have church service ~~at~~ there. Still on that, he is now recovering.

**Lower Gwama**

We had our church service and attendance wasn't interesting. As a result, we managed to have a meeting with leadership after church service as a way forward. On trying to see how best we can help each other. So we agreed to have Children's Ministry activities there. However, at circuit level, we agreed to have our graduation day on April. We just want to thank our parents and leadership for the support. On December 2023, we managed to have our fantastic Christmas party which was attended by 105 children for the first time, that <sup>was</sup> ~~is~~ a good number indeed. We are looking forward to have more kids to join us.

**Challenges**

However, we were planned to have a visit to Dosert but because of bad weather, we failed to make it. We are facing challenges of shortage of teachers to all churches, some are just teachers to add number but not to having passion on teaching our kids (children).

**Conclusion**

As I conclude, we thank you all for the support you are giving to us. May God Bless You. We are praying always that God will continue to guide and use us for the growth and transforming the world to come to Him.
