SECTION 6: OTHER ADDITIONAL INFORMATION

I would love to thank God for blessing us through the month of May. At Lambama we introduced bring and share activity to which everyone will bring whatever he or she has to share with others as form of fellowship. By this as a pastor I see it as a working tool, because I am witnessing the results to which people come to church, hence an advantage to share the word.

For the sake of offerings Phuthuma is not recorded because there is a lot of backsliders, hence therefore some of L. members are at it.

SECTION 7. CONCLUSION:

I would love to thank God for protecting us through the month of May. Lambanai Circuit has the potential to grow and I hope God will help as his work goes on.
