We are now approaching the rain season whereby most members will be busy in their farms, therefore this is call one of factors that mostly affect the attendance.

We had a privilege of having an almighty prayer at Singabike primary (Dry valley) where five people gave their life to Christ. We hope to have a better church at that area, so far I had to go there for preaching and also this coming Sunday I am going there to create the base whereby we formally plant a church. There is a great hope since we have five people now, and this marks the starting point.

SECTION 7. CONCLUSION:

We thank God for guiding and protecting us through the month of November. We hope to have a new branch success at Dry Valley, God willing.
