**SECTION 6: OTHER ADDITIONAL INFORMATION**

We held our Annual Pastors Circuit Meeting. Everyone agreed that it was a difficult year that was compounded by economic hardships plus drought. Nonetheless the church soldiered on. It was noted that these programs were too congested with activities that drained a lot of money from the poor congregants. The request was to minimize our conferences, fellowships gatherings from District, ACCZ to National level and capitalize on local church gatherings. The church was overburdened.

SECTION 7. CONCLUSION

We look forward to a better year ahead  
without too many budgets a year that  
will give the local church time to run  
smoothly and allow the church to breathe.
