

**H PARUVETE RUPEMBA CIRCUIT
CHILDREN'S MINISTRY FEBRUARY REPORT
27 FEBRUARY 2024**

Introduction

Greetings to you my Brethren in Christ I hope this report will find you in good health. Below are some of the duties I performed this month.

Children's Ministry Workshop

During the beginning of this month we had our workshop at Makwasha church. The workshop was meant to teach teachers how to draft their lesson plan, how to deal with the children according to their age groups. We also had time to discuss the way forward in moving on with our Ministry. During our lessons our facilitators managed to cover satisfactorily how to make a lesson plan and the best way in dealing with the children. We also had time to plan some projects to fund our Ministry, several teachers were helped by the lessons.

Church service

I attended a church service at Maglas Church. I went to Maglas to meet the executive of Makwasha in preparation to the workshop to be held at Makwasha church. We had our meeting after the service. The meeting was fruitful because we managed to do all our preparatory as a team.

I also attended a church service at Rupemba church. The service was well attended. We had our lesson based on the sermon on the mounts. The lesson was well grasped. On another week I attended a church service at Sibozza church. The service was held after the leaders workshop. We had a good word during the service from Pastor Muzanago.

Leaders workshop at Sibozza

I attended a workshop at Sibozza church. The workshop was meant to empower leaders to create health churches. We were taught criteria to make health churches. We were also taught how to use our positions in church. We had another lesson on how to have our own business to our church.

Prayer requests

May the Lord be with us during the Easter holiday.

Conclusion

I conclude by giving thanks to my sponsors for making my work possible during my movements in and out of my circuit. May the Lord continue to bless them.
