**Introduction**

I thank Lord for giving me life with hope of doing work, because everything is going to be better. But due to the power our Lord the one creator loves us

**Big Sunday service at Showers**

We had an opening prayer from one of our children. The word of God was read from Luke 5 vs 27-28. Children were very happy because they normally sing a song using the word from this verse. After the word we asked questions about what we had learnt children proved to have understood the word of God. It was nice to see children wishing to have stayed longer than we had dismissed.

**Teachers workshop at District level**

This was a three days' workshop involving children ministry teachers and pastors. Mrs Musasa gave us an opening prayer and Mrs Nyoni gave a devotion. We received our word from Luke 4 vs 1-13. On second day we all prayed and we praised our Lord. Devotion was done by Mrs Gundani from Gan'a circuit Proverbs 6 vs 12. After that this training was full of lessons from language to play and learn lessons. On this day we were all kids playing and behaving like 7 years. We were given rules that guide teachers e.g. like no noise in class and time management. After we received lessons lay out. On the third day we had a service and the word was read from proverbs 22 vs 6. This gave to an end to our workshop. Amen

**Sunday Service at Hanawa**

I was impressed with teachers who gave me good reception. But the number of children was less as compared with what I expected. We received our word from Luke 5 vs 27-28. I then questioned and children were good at answering questions we then sang a closing prayer.

**Sunday service at Gan'a**

On children prayer for us and received the word of God from Mathew 6 vs 12. On this service I didn't as the children had more questions since they were very few, but the day seems as if there were many children because it was a thunderous service we sang a closing prayer.

### **Home visit**

I visited Mrs Madziise a church member, the purpose of the visit was to encourage children to come to church. We closed with a prayer.

### **Conclusion**

May the lord keep on blessing this Ministry as we grow in numbers. Amen

We had an opening prayer from one of our children. The word of God was read from John 13v 1-34. Children were very happy because they normally sing a song using the word from this verse. After the word we asked questions about what we had learnt children proved to have understand the word of God it was nice to see children wishing to have stay longer than we had dismissed.

#### Sunday service at Hanawa

We did a prayer after that we read our word from Mark 10. After the word was read and we asked children questions and they proved to have understand the word and we prayed children we enjoyed children doing a drama about Jesus walking on water. The drama was well done we then prayed and closed. Amen.

#### Big Sunday at Showers

The Sunday Service started with a praising song which was followed by an opening prayer. The children were singing, dancing and after they gave us their memory verses it was pleasing, all teachers were there and the number of children was big. There we received the word of God from Genesis 19-35. On this service I didn't ask the children more question since they were few but the day services as if they were many children because it was a thunderous service. We then sang a closing song and we had a prayer.
