PULPET EXCHANGE AT GAN`A

The service started with praising song which was followed by an opening prayer. Pastor Ndlovu was the guest of honour. The pastor read the word of God from Romans 10 v9. Children were doing memory verses and choir where done by the Children and they impressed the Pastor.

SUNDAY SERVICE

I also attended church service at Venge Church. The service was well attended. We had our lesson based on the sermon judging and 2 builders. The lesson was well grasped.

I attended a church at Gan`a Extension. I went to meet teachers of circuit in preparation to the conference to be held at circuit level. We had our meeting after service. The meeting was fruitful because we managed to do all our preparatory as a team.

I thank Lord for giving me hope of doing work because everything is going to be better.

1. Home visit
2. Sunday service
3. Meeting circuit level
4. Night prayer
5. Big Sunday

**Big Sunday at Showers**

We started with a chorus and after that we had a prayer. On children we read the bible from Genesis 27 and 28 vs 1-5.

**Sunday Service at Hanawa**

We had an opening prayer from one of our children. The word of God was read from Genesis 6 v 22. Children were happy as they sing a song using the words from the verse. I asked the children of what they learnt from the verse and they proved to have understood the word of God. It was good to know that Children want to learn more and stayed more at church.

**Sunday service at Gan`a**

I was impressed with teachers who gave me a good reception. But the number of children was more compared with what I expected. We received our word from Genesis 28 vs 1-5. I then ask questions and children were good at answering questions.

**Night prayer**

This service we started with a praising song which was followed by opening prayer. The children were singing, dancing, reading bible and they gave us memory verses. It was pleasing. All teachers were present and the number of children was pleasing. We read the word of God from Genesis 6 v 22. It was thunderous service.

**Meeting at circuit level**

We attended a meeting as teachers of children ministry at a circuit level. We agreed to have a workshop and to bring orphans to school who are not going to school. We discussed a lot that day.

**Home visit**

I visited Mrs Mudyiravanji a church member. The purpose of the visit was to encourage children to come to church. She promised to release her three children. And we closed with a prayer.

**Conclusion**

I learnt that parents will release or give us their children if we talk with them nicely. I would like to thank God because everything was done with love. Amen
