### CHILDREN'S MINISTRY REPORT FOR FEBRUARY 2024

#### INTRODUCTION

Our God is always good in our lives as He continues to give us the gift of life. He is always faithful and never forsake us. We are planning and do everything we want to do just because we are alive. Glory be to the Almighty. We are very grateful and appreciate everything he does for us each and everyday.

#### **Church service**

The service was done locally at Langwaani Church. On this Sunday, children came in their numbers. Lesson on the call of the disciples was conducted and it was successful. Children were very active and participated very well. They also managed to sing choir songs and did very well.

#### **Workshop**

We did have a workshop at Makwasha Church of Christ. It was a workshop for all teachers in the district. From our circuit, only teachers managed to attend the workshop. The workshop was very beneficial for it enlightened teachers on how to teach and work with children of different ages. Teachers should be encouraged to attend such workshops so that children will be well equipped with appropriate skills.

#### **Church visit.**

I visited Gwen'ombe Dip church on 16/02/24. The church had few members and is still at its infant stage. Surprisingly, that Sunday children came in their numbers unlike previous days. They were fourteen and participated very well. A lesson on Sermon on the mount was conducted and successful. They did very well for they managed to state some of the beatitudes taught by Jesus. Our prayers is for God to protect this young church for us.

#### **Leader's workshop**

There was a district leadership workshop at Sibozha church on 23-25/02/24. From our circuit, only two teachers managed to attend. I failed to attend this seminar because of health issues.

#### **Wednesday prayers.**

We are doing prayer sessions every Wednesday. Children are coming and are part of the program. We are happy because they are learning to pray whilst they are young.

#### **CONCLUSION**

Our God is helping us in doing his work. A great improvement is being seen. We noticed the increase of children at Dip church. Zeruvi church is also doing great. However, Mapedza Church still needs much attention in terms of children's attendance. We pray that God will help us through.

**Prayer request**

- Prayer against the spirit of satanism
- Prayer against Drug abuse
- Prayer against early marriages.

#### **INTRODUCTION**

Our God is always good all the times. We want to thank Him for his abundance grace and mercy towards us. We managed to cross from 2023 to 2024 not because of our wisdom but by his divine grace. As we begin this year, we are still covered in his hands and we are making moving forward. Although we face some challenges here and there we are still going and God is helping us to overcome them.

#### **Church visit.**

I visited Gwen'ombe Dip church on 06/01/24. Children came but they were very few. Only three children were present . I did had time with them encouraging them come to church.The church is still growing so the attendance is still very poor. We pray that God will help us Co come up with good strategies that will enhance the growing of the church.

#### **Prayer for children.**
