CHILDREN'S MINISTRY REPORT FOR JUNE 2024

INTRODUCTION.

Our God is always good all the times. We want to thank the Lord for the precious gift of life and divine health he is giving us. We are in a new season of cold weather but he is protecting and provide for us. The children's ministry is doing well and growing. A great improvement is being noticed each and every time. Teachers are also doing their best to uplift this ministry. In this month of June the volunteer teacher did not manage to visit other churches because of health issues (at maternity). But however was working with teachers through the phone giving positive reports about what is happening in their respective churches. The visits for this month was centralized at a local church.

CHURCH VISIT

I was at Langwaani church on 02/06/24. Children came to church as usual and were in great numbers. Their attendance was quite satisfactory. The service was done very well. Children participated very well in their service. A lesson on the position and duties of children in ^{church} ~~children~~ was conducted and it was a success. Children shows that they have grasped the concepts taught because many of them were able to answer the questions drawn from the lesson. They managed to sing choir songs and recite some memory verses.

CHURCH VISIT

The visit was done locally at Langwaani church on 09/06/24. Children came as usual. General lessons was conducted and was randomly picked from previous lessons like peer pressure, drug abuse, questions from the bible and so on. Children participated very well showing their understanding of the previous lessons. They managed to sing choir songs. After the service we managed to do paper picking around the church encouraging them to keep their place clean.

CHURCH VISIT

On this Sunday 16/06/2024 the service was not conducted because of the funeral at Mandava homestead. They lost their father who was not feeling well for a couple of months. May is soul rest in peace.

CHURCH SERVICE

CHILDREN'S MINISTRY REPORT FOR MAY 2024

INTRODUCTION

We want to thank our Lord for the gift of life. His grace is always sufficient for us. The one who is able to plan is the one who is alive. We managed to plan and do the planned activities for the month of May just because we are alive. The Lord is always by our side giving us hope and strengthening us in doing his work. Challenges are there but our Lord keeps us going. Children's ministry is growing and our prayer is for it to continue growing as we prepare them for a future generation that will take over in doing the work of God.

BIG SUNDAY

We did have a big Sunday as a circuit at Mapedza Church on 05/05/24. Children came as usual in their numbers. Three churches that is Langwaani, Zeruvi and Mapedza were represented except Gwen'ombe Dip church which did not managed to be there due to a funeral happened in their area. Children did very well at this big Sunday as they managed to sing choir songs and reciting memory verses in the midst of the main church. On this day, general lessons were conducted asking children some general questions from the bible and also revisiting previous lessons like peer pressure, drug abuse and many others. It was a very interesting time as we noticed that our children are grasping and mastering some concepts we taught them. They also managed to practice other songs as a circuit as one team. We want to thank the Lord for this day, glory be to the Lord.

PRAYER SERVICE

We were at Langwaani church on 7/05/24 for the prayer service which was specifically meant for the children who were going back to school. Other churches also do the same praying for the children as they began their second term. Children came for this service and it went well. Parents were encouraged and advised to continue praying for their children because the devil targets to destroy the future of our children at their tender age. We pray that God will protect and guide them.

CHURCH VISIT

I was at Langwaani church on 12/05/24. Children came as usual at their numbers. The attendance was quite satisfactory. Those who went for the holiday were now back. We did have a good time with them sharing their experiences during the holiday. A lesson was conducted and it was a success. It was about Jacobs dreams from Genesis 28vs 10. Children grasped the concepts taught as they managed to answer the questions asked after the lesson was delivered. They also had time to practice songs they learnt from other churches at a circuit big Sunday. It was an interesting service as they were actively participating

CHURCH VISIT

I visited Zeruvi church on 19/05/24. Children came as usual. The attendance was good although some of them did not managed to come. The teacher also was not present because of family issues. However, we did

have a good service with the children . A lesson about Jacobs dream was conducted and it was a success. Children were participating very well.They had time to practice choir songs . Glory be to the Lord for protecting this children's church.

CONCLUSION

We want to thank the Lord for being with us in this month of May as we approach the winter Season. The children's ministry is growing each and every time . Improvement is being noticed in all churches. Teachers are also doing great in teaching our children. The challenge in most of our churches is teachers. In some churches like Zeruvi, Dip and Mapedza have few adult members so it will not be possible to have more than one teacher as others will have other positions in church.However , those teachers are managing because the numbers of children in those churches will be manageable.

PRAYER REQUEST

- **Praying against satanism in schools**
- Praying against drug and substance abuse in our children.
- Praying for a good character and behavior
