

MABVAZUVA CIRCUIT

CHILDREN'S MINISTRY REPORT FOR NOVEMBER 2024

INTRODUCTION

We want to thank God for the gift of life . He is always by our side each and every time. The ministry is improving and developing in this circuit. During this month, the volunteer teacher conducted home and church visits. Wednesdays are set for prayers .

CHURCH VISIT

The volunteer teacher was at Langwaani church. Children came to church as usual. Their attendance was good only few were absent. We discussed about technology and its advantages. Children participated very well making the lesson a successful one. Use of concrete media was used and it assisted in motivating them. Choir practice was done and was a success. We give glory to the Lord.

HOME VISITS .

During this month, the teacher conducted two homesteads, Skwila and Nhidza. The children from these two homesteads were attacked by fluenza. I prayed for them and urged their parents to seek medical attention. We pray for their divine healing.

CHURCH VISIT.

I was at Gwen'ombe Dip church. Children came but they were very few . The attendance was very poor . We did have a good time with those who were present . We discussed about the use of technology and its advantages. The discussion went well but need to be repeated as many of them were absent. The children managed to recite memory verses . We give glory to the Lord.

PRAYERS.

We did have prayers at a local church every Wednesdays . Children are attending these sessions .

CHURCH VISIT

I was at Langwaani church. Children came in their numbers . The attendance was quite good. A discussion about the disadvantages of technology was conducted. Children participated very well. Choir practice for the upcoming Christmas party was done .

CONCLUSION

We thank God for enabling us to do his work. Positive developments are being noticed in children's ministry. May the Almighty continue to strengthen us in his field.

CHILDREN'S MINISTRY REPORT FOR OCTOBER 2024

INTRODUCTION

Our God is always good all the times. He remained the same God from yesterday, today, and tomorrow. He is protecting and providing for us each and every time. We want to thank God for the children's ministry in our circuit. God is doing wonders in uplifting this ministry. By God's grace we are noticing some talents that were hidden in these innocent souls. We pray that for them to prosper and grow within God's hand. We give all the glory to the Almighty. The volunteer teacher is still restricted in moving around because of the new born baby. She is working with the teachers from churches to for the progress of the children's ministry .

CHURCH SERVICE

On 06/10/24 I was Gwen'ombe Langwaani Church. Children came in their numbers . The attendance was quite satisfactory. We did have a fantastic service . The volunteer teacher conducted a lesson on how children relate with children with disabilities and children participated very well. Most of these grasped the concepts taught because they were able to answer asked questions. However, few children failed to answer some of the questions which means they did not master what was taught. The teacher will revisit the topic so that those who did not understand will master the concepts. Children also managed to recite memory verses and sing choir songs. We thank God and give all the glory to the Lord.

CHURCH SERVICE

I was again at Langwaani Church on 13/10/24. Children came as usual in their numbers. On this day children's ministry was very active in the main service because the youths were absent . They were at Zeruvi for their big Sunday. So children were very very active in bible reading, singing , dancing . They also managed to recite memory verses and sing choir songs . It was a different service and the congregates enjoyed it. We encouraged parents to support their children financially and emotionally.

CHURCH SERVICE

The church service was attended at Langwaani Church on 20/10/24. Children came and their attendance was quite good. A lesson was conducted on calling of the apostles and it was successful. Most of them understood the concepts taught. We did have time of practicing dancing with the help of a speaker. There is need for much practice . They did not perform well since it was their first session. Children were very happy and promised to perform well next time.

BIG SUNDAY

We were at Mapedza church for the circuit big Sunday on 27/10/24. Children came in their numbers from four churches. Each church was represented. A revision of the taught topics was done and children participated very well. As teachers we did have time me to plan for the Christmas party and the

upcoming trip. Parents were encourage to support their children financially for this trip to be a successful one. The service was a fantastic one . Glory be to the Almighty.

CONCLUSION

We thank the Almighty for the children's ministry in MABVAZUVA CIRCUIT. There is great improvement and development being noticed. Challenges are there but we are facing them without compromising because our God is always by our side. We give all the glory to God.
