

DADAYA CHURCH OF CHRIST
PREACHING INSTRUCTOR AND CHILDREN'S REPORT

INTRODUCTION

The report covers the period from 01 June to the end of July 2024. These past two months were full of miracles since I was doing the work of God while I was also visiting my mother who is being treated at Parerenyatwa hospital. There are a number of successful events happened in the district for these past two months. However, there was a bit of pressure in preparing our ACCZ conference, district women conference and children's conference to come in August.

Preachers' from new churches training program

I had a chance of introducing a new topic called "Bible Doctrine." The course mainly will help preachers to stick to the bible teaching when preaching. Again, this will help them to be apologetic to their religion. Learners enjoyed this subject very much. We managed to meet twice once in June for two days and July. Thanks to principal S Mavodza who is helping me in this training program.

Training program Maglass

I am happy with this group they show passion of learning. Now we are meeting two days per month during the weekends. In doing this, we are increasing our hours of learning so that we will cover the whole course within the period.

ACCZ conference

There was a great triangle conference in Bulawayo makokoba. There were brilliant speakers on this conference. There we had a chance to meet as department of children's ministry. We talked about our children's conference to come in August at Makokoba Bulawayo. This is our first conference to be held at ACCZ level. Children are busy packing their bags for this amazing event.

Murerezi leadership workshop

We managed to do two leadership workshops one was in June and the other in July. Pastor Madzore and I were the facilitators at this workshop as usual. We taught them about "Priesthood of a believer, Tithe and giving" then in July it was "Sunday service program and How to prepare and deliver a sermon". These workshops are now starting to bear fruits to these upcoming leaders.

Lastly, there was a big Sunday at Murerezi church. On this big Sunday there were a number of visitors others were ACCZ Executive leadership, two visitors from Australia and DCC Executive. It was a big family. The attendance was over hundred. What pleased me are the presentations from children's church. It was a good day even our visitors were very happy with the work which is happening at Murerezi.

Conclusion

Pray for our children's conference to come in Bulawayo.
