# The Map of Meaningful Work

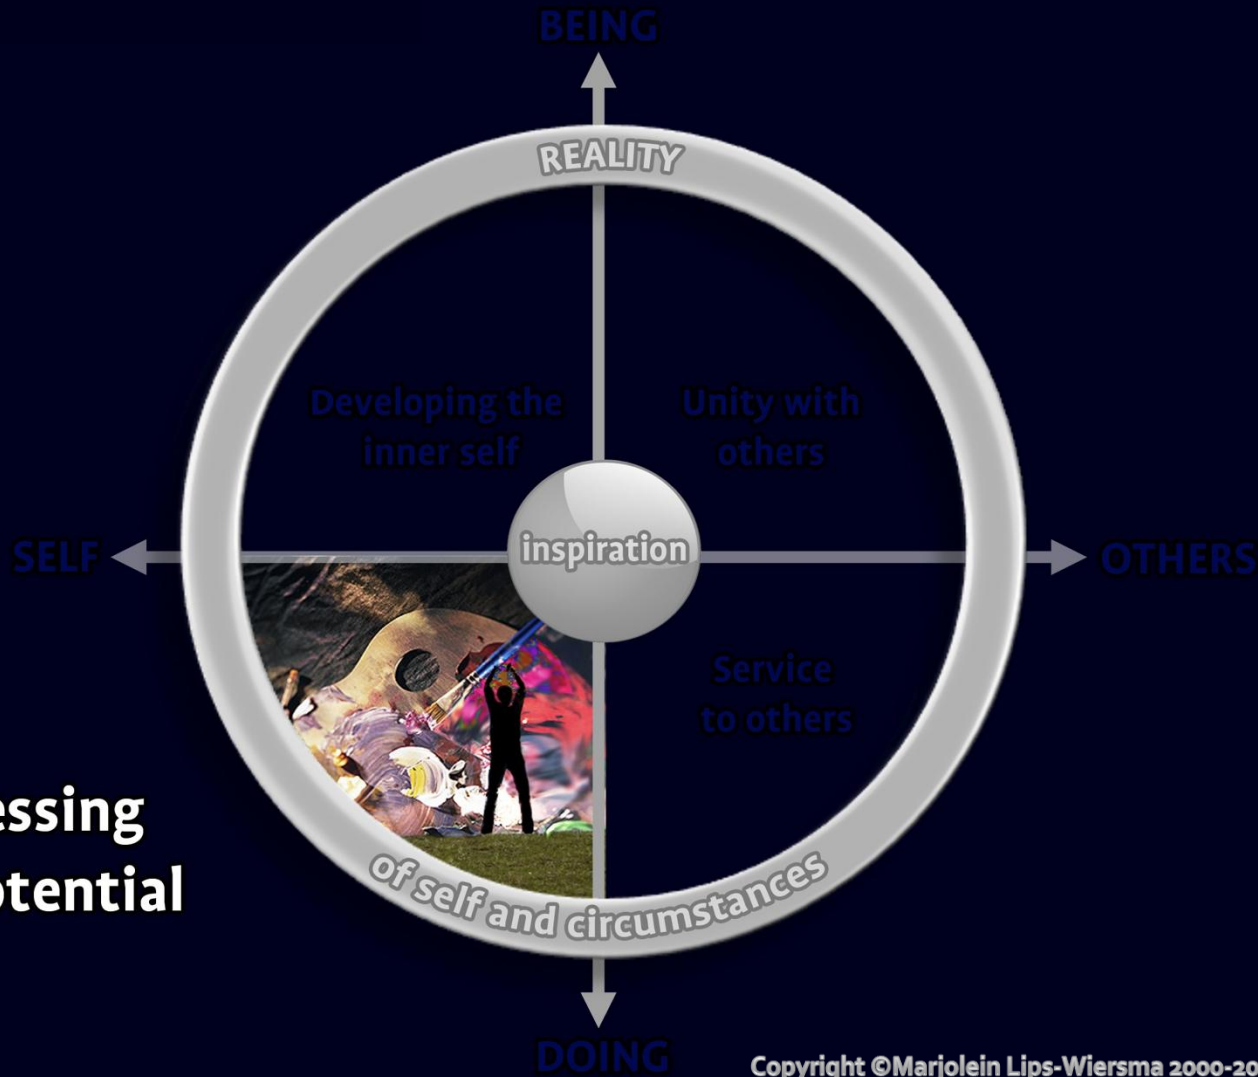

## Developing the inner self

**Expressing  
full potential**

# Our Plan

1. Open back door 2 afternoons each week
2. Put sign at road: "We repair appliances"
3. Assign 2 different people each afternoon

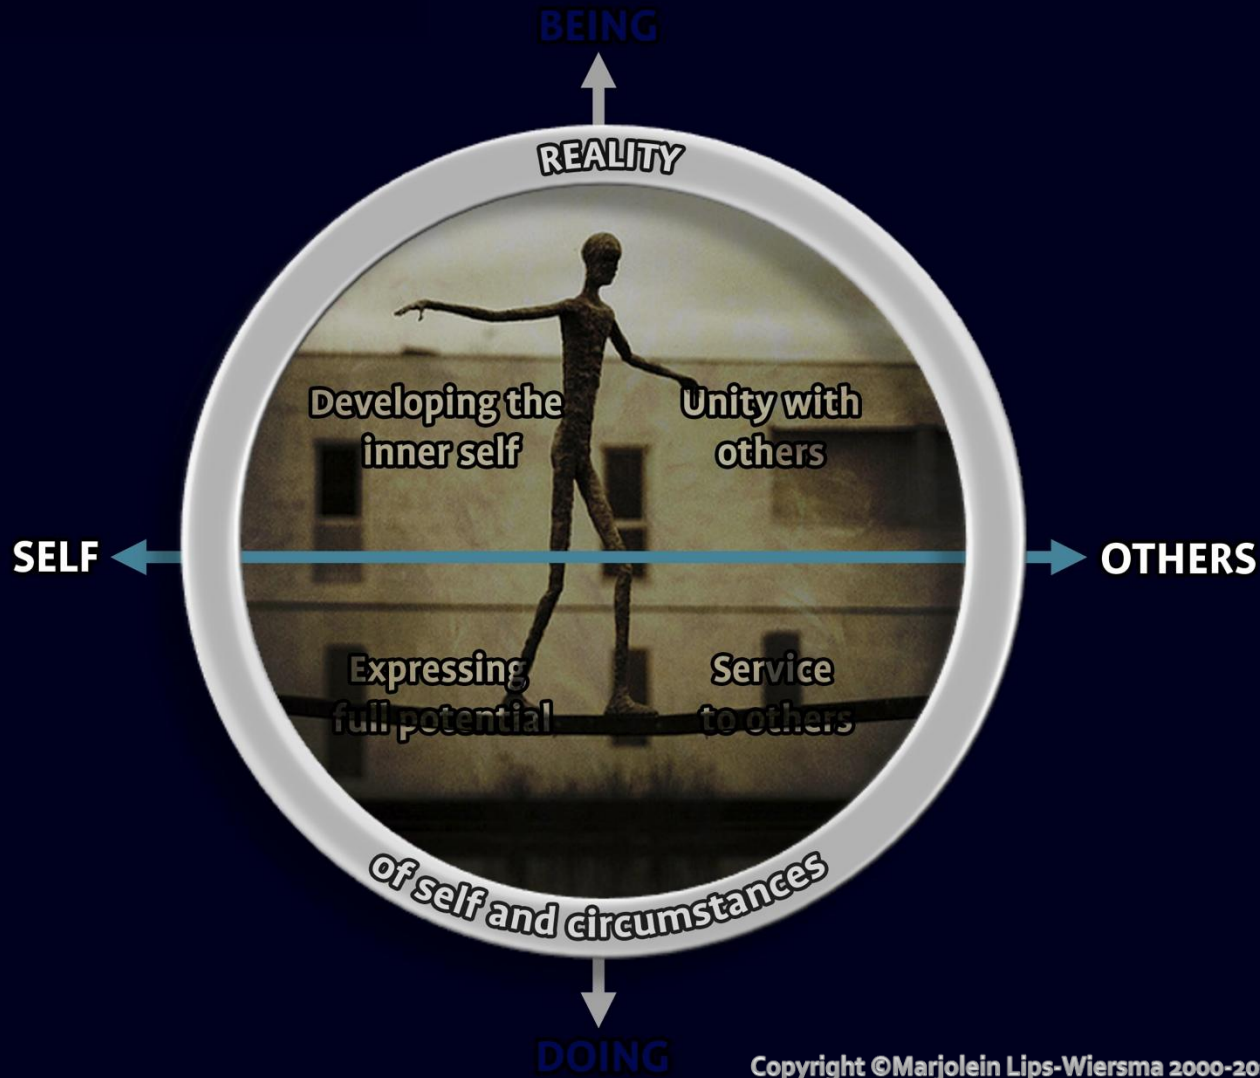

Benefits: we meet people, help people, learn about appliances and to take responsibility with regard to parking, rosters and safety

Benefits: In management speak this means you are a responsible company as you engage with the community and you reduce waste
