

## Committee Update

Hello members and associate members,

Our team hope you had a good Easter. We launched the New Lynn Business Association Food promotion this month. The promotion is named Flavours of New Lynn and runs from the 30th March to 8th of May. There are many great offers in the booklet so get your copy now or get a copy online (on the website) and support other NLBA members. Thank you to the management team for their work on this promotion. If you haven't already got your ticket for the long dinner event, order yours now from the office, the savings are \$30 plus and a great free goodie bag to go with it. Limited tickets are available so call Sharon for more information.

We hope you are all doing okay with the economic situation that faces us. Small businesses are so often greatly

affected by these financial shocks. The NLBA will soon be hosting a wellbeing event that is free to members with some additional support available via counselling and support for members. More information will be sent to you in the coming weeks. In the meantime, if you need our support, we will do what is possible under our constitution to help members. Please contact Tracy [tracy@nlba.co.nz](mailto:tracy@nlba.co.nz) or Chairperson Dinesh Mani via [office@nlba.co.nz](mailto:office@nlba.co.nz) if you need some support.

This month the NLBA will be reviewing the CCTV project. If you would like to provide feedback please contact Tracy or Sharon - [tracy@nlba.co.nz](mailto:tracy@nlba.co.nz) or [office@nlba.co.nz](mailto:office@nlba.co.nz)

## REPORTING CRIME AND ANTI SOCIAL BEHAVIOUR

**Please remember how important it is to report any crime or anti-social behaviour you witness in our area.**

Your reports help authorities respond effectively and build a clearer picture of what's happening locally, allowing them to allocate resources where they're needed most.

Please also let the NLBA know by emailing [office@nlba.co.nz](mailto:office@nlba.co.nz). This helps us build a clearer picture of what's happening in the area and allows us to advocate on your behalf more effectively.

**CALL 111 FOR POLICE EMERGENCIES**

**Call 111 and ask for Police when:**

- someone is badly injured or in danger
- there's a serious risk to life or property
- a crime is being committed and the offenders are still there or have just left
- you've come across a major public inconvenience, such as trees blocking a highway
- any of these things are happening now or have just happened.

If you can't decide if it's a real emergency and you're still worried, call 111 and ask. We'll help you work out what to do.

An emergency TXT service for people with hearing or speech difficulties is available if you have difficulty hearing or talking on the phone. You can register now for the 111 TXT service.

**USE 105 FOR POLICE NON-EMERGENCIES**

The 105 non-emergency number is for things that have already happened and don't need urgent Police assistance.

105 is a nationwide, 24/7 service that's available via phone (105) and online ([105.police.govt.nz](http://105.police.govt.nz)).

### Reporting online

We encourage you to go online to [105.police.govt.nz](http://105.police.govt.nz) to:

- Report any situation that doesn't require immediate Police or Emergency Services attendance
- Request an update on a report already made or add to an existing report.
