

Committee Update

As we move through another busy month in New Lynn, the Chair and Committee would like to thank all our members for your ongoing support and commitment to our town centre.

We're delighted with the positive response to this year's Grab a Deal promotion. It has been encouraging to see the public embracing the campaign, supporting local businesses, and taking advantage of the fantastic offers provided by our members. Thank you to everyone who has participated and helped make the promotion such a success.

Looking ahead, planning is well underway for our Annual General Meeting, the date has been set for Monday, 19 October 2026 at 5.30 pm. We warmly encourage every member to attend.

The Committee is also busy planning for

the Christmas season. If you have ideas for decorations in your area or would like to discuss opportunities for festive displays, we'd love to hear from you.

Finally, this is your business-to-business newsletter. We warmly welcome member contributions including business news, achievements, milestones and stories that may be of interest to fellow members.

New Lynn continues to be a resilient, diverse and evolving business community. By working together and supporting one another, we help create a stronger town centre for businesses, customers and the wider community alike.

Thank you for being part of the New Lynn Business Association.

2027-2028 Business Plans & Budget

A couple of months ago we completed a membership survey about business planning for the NLBA and we also asked for your feedback on Safety and Security/CCTV planning and expenditure. Thank you to everyone who gave feedback and a special congratulations to those that won a prize for contributing to feedback. As part of our management team and Executive Committee process for developing the draft 2027 - 2028 business plans to present to the AGM we considered your input, historical information, the business environment and, we took into consideration the requirements of a BIDA under Auckland Council policy.

We have developed a draft plan that will be presented to the NLBA Executive Committee and then to the NLBA AGM in October. If you would like to talk about the draft plans please contact the Chair Dinesh Mani or Tracy and we will share with you an outline of what will be presented at the AGM.

Introducing Gavin, the proud owner of Bites and Brew New Lynn...

We currently operate across three locations: Surfside Bites and Brew at Piha Surf Club, Bites and Brew at Hobsonville RSA, and Bites and Brew at New Lynn RSA. We are experienced hospitality and catering professionals with over 30 years in the industry.

I am supported by an experienced Group Executive Chef (RAJ) who has been with me for the past 10 years, along with a strong and dedicated team that includes managers, chefs, wait staff, and a Marketing Manager. Together, we are committed to delivering fresh, high-quality food, generous portion sizes, and excellent value for our customers.

Despite the current economic challenges, we have worked hard to keep our pricing as affordable as possible without compromising on quality or service. We take pride in creating enjoyable dining experiences and building strong relationships within the communities we serve.

Our motto says it best: Great bites, great vibes, cold brews.
