

Committee Update

Hello members and associate members

As your chairperson for NLBA, I am pleased to be writing to you knowing that the New Lynn Business Association has some great plans in place to promote our town centre and share the joy of Christmas with customers. The committee are pleased that we are open and trading, allowing you, our member to enjoy Christmas trading.

This year at the Annual General Meeting of the NLBA, an Executive Committee was appointed. This year we have had some returning members and some new committee members. Thank you to all who were elected. I would especially like to acknowledge those business people who are returning

members. The committee is voluntary and, we are grateful for those local business owners and members who spend time to support the New Lynn business community. Below are the details of the new committee members.

With Christmas upon us, we would like to share with you the promotions we have in place for members and customers. The primary promotion – Spin the Christmas Wheel is when a customer spends \$20 between December 1st to the 23rd December and customers can go to the spinning wheel and try their luck at winning one of the great prizes. The New Lynn Business Association are also hosting a free family Christmas entertainment event, we are

pleased that we can host our annual Christmas event for the local community, this will be held on Saturday the 10th of December from 10am at Todd Triangle. For more details see pages 2 and 3 of the newsletter.

In October of each year, the members vote to approve the plans for the following annual period. We are looking forward to next years promotional plan and encourage you to participate in any NLBA activities.

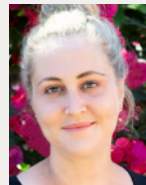

Have a great Christmas, if we can assist you, please contact myself or Amelda.
