

Committee Update

Hello everyone,
What a great time of year September is! With the significant rain and wind that we experienced this winter, we all look forward to spring. It is great to see the blossoms out and the change into spring taking place. Spring is also a great time to get into those outdoor and home projects. In

• New Lynn, our membership includes some
• of the great DIY businesses including
• Placemakers, Repco and The Warehouse.
• New Lynn town centre is so much more
• than fantastic food, service and grocery,
• it might be time to have a makeover or
• a change in look as we approach the
• summer season – try one of our great

• salons or beauty therapy outlets. This is
• a time for joy, with many of the pandemic
• challenges having past our doors.
• Enjoy your day, shop local and
• support our local business community

**NEW LYNN
BUSINESS
ASSOCIATION**

Our people

As an organisation, the New Lynn Business Association is proud to share with you, a little bit about some of our locals who have been in business for many years in New Lynn

Woottons Auto Accessories Story

Over 50 years ago Wootton's Auto Accessories came to New Lynn, purchasing a stationary shop, and after 12 years moved 2 doors down to our current premises at 3128 Great North Rd. We started with motor accessories and then moved to motor scooters, quad bikes, so we have two shops to cater for both! We import our own brand called Euro Rider. When the culvert collapsed our business slowed down, but once repaired and finished we are very busy, and service all motor scooters and quad bikes in our workshop. New Lynn has been great for us; we are the only sales and servicing for motor scooters in West Auckland. We meet once a month with the New Lynn Business Association and find they are very helpful with promoting New Lynn. Due to our over 50 years in business we stock a very large range of motor accessories that are hard to get and import parts that can't be sourced in New Zealand. We are LMVD dealers and MAF approved.

Thomas & Co

Thomas & Co Lawyers Ltd is a well established law practice that commenced business in 1966 when the original partner opened what was then only the second law office in New Lynn and just the sixth in West Auckland.

On 1 April 2017 the practice merged with Titirangi Law Centre established by Ray Ganda in 1986. As of 1 October 2021 the practice has merged with David J Brown and Associates established by David Brown in 1988.

The object of the mergers is to continue the proud history of the 3 firms as West Auckland's leading law firms. The combined practices mean increased resources are available to improve the service offered to our clients.

We are conveniently located in the commercial centre of New Lynn that is the gateway to the green belt West Auckland area that was Waitakere City. The office is handy to the bus/train interchange in New Lynn with onsite parking and lift access. Our staff are local residents who know the area and people so are able to give specialised practical advice on options available to clients. The combined practices continue to bring our dedication and experience to all areas of practice as we have since that 1966 start up.
