# Our team picks in New Lynn

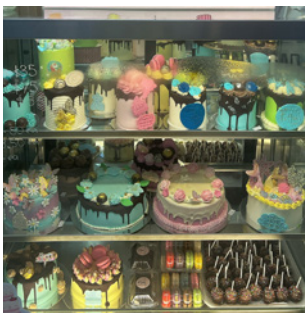

Each month we feature something that our management team have found, purchase regularly or is a favourite so check out our feature offer and call into the New Lynn business for more details

## I care about my eyes.

I'll readily admit, I am a customer of **Cassidy Eye Care** and have been for a number of years. Troy and the team do a wonderful job, the professionalism is outstanding and Troy's customer friendly approach means that I am always at ease when going to an appointment. If it is an appointment you need for an eye check, to get a new pair of glasses, sunglasses or to talk about eye care, my team pick is Cassidy Eye Care in New Lynn.

Sweet treats are hard for me to resist. My latest discovery are the cupcakes from **The Cake Stand** on Totata Ave. indulged flavours and great variety, I'm always spoiled for choice.

## A great find

Recently, when out and about in New Lynn, I went to get another Scrub Daddy brush which I have talked about before – they are great. When I was at **Storage Box New Lynn**, I was recommended this great small product by the team that really works well, White Magic Cup & Mug cleaner I find it handy for more than just cups and mugs but, there is the truth that as **Storage Box** says, they help people organise their cluttered lives and I am an unclutter type of person. On their website, **Storage Box** say... the exciting world of **Storage Box**.

We specialise in helping people organise their busy and cluttered lives. All sorts of people, all sorts of lifestyles, needing all sorts of storage solution

Love to....shop at my favourite local butcher **Reuben's Aussie Butcher New Lynn**. Award winning sausages made in store, Bacon & Hams, specialty meats and a great deli counter. Get a jump start on your dinner prep with new recipes and weekly specials by subscribing to their mailing list at **Aussie Butcher New Lynn**.
