

June Upcoming Events

Good morning NOC,

I hope the winter has started well for you, the days are getting shorter and the weather has been less than ideal of late. But we are getting closer to the shortest day of the year and we have some exciting events planned over the coming months. See below for details for the first of our NOCturnal Rogaine Series this Wednesday based from Nelson College. No doubt the quality will be top notch with the Fa'avae event engine fundraising for Zefa's maiden voyage to the Junior World Orienteering Championships later this year.

Then soon after, on Sunday 19th, we have our postponed 30th anniversary event from last year. The venue is West Bay and will encompass all four versions of the map as it has evolved over the years. Bring your oldest, most retro orienteering gear to celebrate 30 years of orienteering in Nelson!

NOC June Event details:

Wednesday 15th June - NOCturnal Rogaine 1, Grampians

<https://www.noc.org.nz/event/nocturnal-rogaine-series>

Kia ora Rogainers,

We hope you are excited about the night adventure on the Grampians on Wednesday June 15th. Above the city lights of Nelson, there will be about 40-checkpoints to locate and score, some will be easy to find, some will be a little more difficult, your choice what to get and what to leave.

Registration and map pick up is at the Nelson College hall from 5:00pm. Please leave any dirty, muddy shoes outside. There will be a safety briefing for all entrants at 5:55pm, then it's time to go at 6:00pm. There is car parking around the front of the school, and the surrounding streets. We suggest you allow 15-20 minutes to plan your route.

Make sure you bring a torch with adequate battery power, a watch to make sure you're back on time, a pen and highlighter to mark your course, a compass (and Si Card if you have one) and dress for the conditions on the night. We recommend grippy trail footwear.

See you soon, The organising team.

Sunday 19th June - Retro EndurO - NOC 30th Birthday Celebration Event, Nelson Lakes
