

SUPPORT CONSERVATION AND COMMUNITY AT NATURELAND WILDLIFE TRUST

At Natureland Wildlife Trust, we are dedicated to preserving New Zealand's unique wildlife, connecting communities with nature, and fostering a love for conservation through education and hands-on experiences. As the only wildlife park in the top of the South Island, Natureland offers a one-of-a-kind experience that inspires visitors to become active guardians of our precious environment.

By becoming a sponsor, your support will help us:

- Protect endangered species through breeding and conservation programs.
- Educate the next generation about environmental stewardship with interactive educational programs for schools and families.
- Enhance our facilities, providing better habitats for our animals and more engaging experiences for visitors.

We invite you to join us in this mission by becoming a valued supporter of Natureland Wildlife Trust. Whether you're an individual, family, or business, we offer sponsorship opportunities at various levels to fit your needs. Your contribution will make a meaningful impact on the future of wildlife conservation in New Zealand.

Together, we can create a brighter future for our environment and the incredible species that call it home.
