Golden Oldies Committee	Richard Pearson, Rod Thomason, John Shaw, Tom Kennedy		
Sloan Selectors	Rob Willems and Keri Kotua		

Match committee consists of any committee member as above present on the day or any club member asked to advise.

Local and Course Rules

To be read in conjunction with the rules of golf and any temporary rules on the club notice board.

Out of Bounds: All course boundary fences, and white pegs 1/10, 6/15, 8/17, 9/18 fairways (Including path and garden to the right of No. 9 green, practice area and carpark;

Internal out of Bounds: (Playing 18 only) White pegs through the trees at right of 18 fairway (behind 6 green)

Water Hazard: Yellow pegs on 7/16 and 8/17 fairways, and river in front of 9 green. Yellow pegs 18th fairway and creek along left of 8/17 and creek across 7/16 and 8/17.

Lateral Water Hazard: Red pegs along river 1/10 and 18th fairway. Red pegs from drain outlet / power pole and pegged by trees down to path on left side of 6/15 fairway and left to fenceline up to 7th tee.

Young Trees: If orange staked tree, or other staked protected tree interferes with stance or swing, the ball must be dropped without penalty, within one club length not nearer the hole, from nearest point of relief.

Paths, Tractor Tracks, Rabbit Scrapes: A ball on any formed path, tractor tracks or rabbit scrape anywhere on the course, OTHER THAN A HAZARD, may be lifted and dropped within one club length without penalty at a point of nearest relief not nearer the hole. Refer to rule 25 "Exceptions".

Power Lines: If a ball strikes any power lines it must be replayed without penalty.

Immovable Obstructions: All sprinkler heads and tap covers, pump shed and the internal out of bounds pegs when playing holes 6/15 and 9 are deemed immovable obstructions. Relief rule 24-2b.

Gardens: There are no free drops on any gardens or barked areas on the course. The ball must be played as it lies or deemed unplayable (Rule 28) and a one-shot penalty taken.

Placing: When permitted, 15cm placing on own fairway, not nearer the hole.

Slow Play: Players who lose ONE clear hole on the rest of the field MUST call following players through (Irrespective of number of players following). Walk quickly between shots, don't loiter around the greens.

Measuring Devices: For all competition play on this course a player may obtain information from devices that measure distance only. If during a stipulated round, a player uses a distance measuring device that is designed to gauge or measure other conditions that might affect his / her play (e.g. gradient, wind speed, temperature, etc.), the player is in breach of rule 14-3, for which the penalty is loss of hole in matchplay or 2 strokes in stroke play. The penalty for any subsequent breach of rule 14-3 is disqualification, regardless of whether any such additional function is actually used.

One practice which is regularly overlooked by players is that of repairing ball marks on the green. It is easy to repair these with a tee or tool and save someone else a bad line to the hole.

Handicapping

All cards MUST be filled in fully.

This means dated, competition names (if any), correct gross score entered for each hole, signed by both player and scorer, correct player number and player handicap index. In a competition, to assist the match officials with compiling prompt results, players should add up the gross score and scores for any other type of competition being played.

ANY PLAYER AWAITING A HANDICAP MUST HAVE A MINIMUM OF 5 CARDS TO GET AN INITIAL HANDICAP. This is assessed on the best 5 cards. A true handicap does not come until 6 cards have been returned.

All matchplay cards must be handed in as well. This is due to NZ Golf Association requiring true and correct records of any game played whether it be stroke or matchplay. This means that when you have played 13 holes in matchplay competition and your match finished there, that

card has become a valid card for handicapping. As such a player should fill out his / her correct member details and have a marker sign it even when there are still holes not played. Once that card has been filled in the handicapper of that club will average the remaining holes, in accordance to that player's handicap.

Failure to return cards does not mean that your handicap will remain static. Anyone trying to manipulate the system may, at the discretion of the handicap committee, have his or her handicap changed.

Remember although you may feel your handicap is wrong, it is assessed by the standard system used throughout New Zealand and returns a handicap rated on the cards you return.

Acceptable cards for handicapping purposes are as follows:

If you play 7-12 holes, enter a 9 hole score;

If you play 13 or more holes enter an 18 hole score;

Course Management

The course is maintained, managed and upgraded by Nelson City Council so any queries or suggestions related to the course must be passed on to any of the section committees within the club. These committees will then pass these on to the representatives on the Greens committee who will bring it to the Greens meeting.

Playing Seasons & Rights

The official club season is from 01 April to 31 October of each year (Winter Season). During this time the club has rights to the course from 10:00am to 2:00pm each Saturday. Start sheets are available usually a week in advance to enable players to put their names down and each Thursday. Depending on numbers the draw may be emailed prior to Saturday's match of the day or alternatively decided on the morning of the competition. All players must report to the starter a minimum of 20 minutes prior to the first tee time.

The Golden oldies section have their own playing day on Thursday. There is a 9-hole competition open to all members on Tuesday and Saturday afternoons with tee times varying depending on the season. For more

information contact a member of your relevant section committee or the Management Committee.

Cart Use Policy

All players wishing to use a cart in the Men's club competitions must provide a medical certificate to either the men's captain, his representative or the starter prior to play. The certificate must state the period it is valid for, with start and end dates. The end date may be substituted with "Indefinite" if the player has an ongoing illness or ailment that is permanent or likely to last beyond a 12 month period.

In the event of adverse ground conditions on a competition day, the final decision on cart use will be determined by the greenkeeper, the course manager or the match committee. Those who would normally use a cart for play on a day where cart use is restricted or not allowed may elect to walk the course at their discretion.

Some days may require certain restrictions on cart use and it is appreciated if you adhere to the conditions set out by the match committee prior to play. This may include (but is not limited to) requiring carts to travel only in the rough, restrictions on taking carts up the hill on 4/13 or other exclusions as announced or marked on the course. The match committee reserves the right to disqualify any cart user from any competition who knowingly or otherwise breaches these restrictions.

Cart Hire

All persons who drive a motorised golf cart on the golf course must be at least 18 years of age and hold a full car driver's licence. There is a maximum of two persons allowed per cart.

Unless previously booked through the club manager or pro-shop, cart use is on a first come first served basis. Prompt payment is to be made to the club manager or through the pro-shop. Carts are to be driven carefully and any problems reported immediately. When finished the cart must be returned to the pro-shop or plugged in to recharge if the battery indicator is showing less than 1/3 battery life remaining.

Men's Competitions

C&F Legal Club Championships: Top 8 gross scores in each grade qualify for a matchplay competition. All subsequent matches are 18 hole match-play off the stick with the finals played over 36 holes (Excluding Junior B Division played over 18 holes only).

Qualifying for Club Championships: 3 rounds to play with the best 2 of the 3 qualifying. To be played on specific days as per the programme.

Total Golf Maitai Masters: 27 hole stroke play tournament with a handicap limit of 24 to apply. Sudden death play off if required.

Cap-it-all Promotions Trophy: Played over 2 rounds with your own selected partner. First round is a 4-Ball best ball format and second round individual stroke with an aggregate score to count towards trophy. Sudden death playoff if required.

Individual Matchplay Trophy: To be played on handicap. All matched to be played on specified days.

C&F Legal Stroke: Played over two rounds with both scores counting towards the trophy. Best Nett over all grades.

Worley Trophy: 18 Hole stroke play on handicap. Entrants must be 55 years or older on the day of the competition. Putt off if required.

Brebde Senior / Junior: Matchplay on handicap with drawn partners. All matches to be played on specified days.

Barkman Trophy: To be played during the winter season on all rounds where there is no matchplay competition. Points are awarded to all players from match of the day rankings.

Player of the Year: Points awarded to players over all men's competitions, except Worley Trophy, over the course of the season. The winner is the person who accumulates the most points.

Shootout: Best 8 rounds of 12 count towards a ranking table based off nett scores on each round. Top 10 qualifiers play a 9-hole knockout to determine final ranking and the winner.

Fedex: Played over the summer season with points awarded in accordance with the Barkman Trophy.

Club Sponsors

Our sponsors are an important part of our story and we are grateful for their support which has allowed the club to undertake a number of improvements to our facilities that otherwise would not have been possible and to help fund our club competitions and tournaments. We would ask you to support them.

Even if you don't undertake to use their services the club would ask that you at least consider the sponsors in your day to day to day transactions.

Code of Conduct for all Club Officials and Members

Waahi Taakaro encourages members to seek enjoyment and fulfilment by playing golf in a friendly and fair manner. The following code of conduct has been developed to reflect how the club wishes its members and officials to act:

- We act with integrity, honesty and tolerance;
- We act in the best interests of the club;
- We are courteous and respectful to all club members, visitors and members of the general public;
- We display sportsmanship on and off the course;
- We lead by example and maintain high standards of personal behaviour;
- All employment related matters, allegations of misconduct and wrongdoing or serious disputes involving golf club business are referred to and handled by the club president and the management committee.
